DETAILED ACTION

1. Claims 24, 25, 27 and 28 are pending. Claims 24 and 25 have been amended. Claims 1 through 23, 26 and 29 through 61 have been canceled. Applicants' claim to priority from provisional application 60/433,634 filed December 13, 2002 is acknowledged.

Prior Rejections

2. With regard to the prior rejection of claims 1 through 5, 10, 14, 18 and 22 under the 35 U.S.C. 102(b), Applicants have cancelled claims 1 through 5, 10, 14, 18 and 22 outright, and have amended claim 24 to claim only disclosed compounds comprising a piperidiny-azabicyclo[3.2.1]octyl-1H-benzimidazole core structure. Therefore, the rejection of claims 1 through 5, 10, 14, 18 and 22 as anticipated by Biel, Elpern, Hermans et al., Ask et al., Burkholder et al., Taveras and Tulshian et al. is hereby withdrawn.

Claim Rejections - 35 USC § 112

3. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

4. Claims 24, 25, 27 and 28 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

5. The structures presented in claim 24 are illegible. The illustrations presented are not suitable for publication (see especially structures of page 10 of 22, bottom left). All

structures of the claimed compounds must be drawn to the same scale and at least to the size presented in the examples of the disclosure. Correction is required.

6. Claims 25, 27 and 28 are rejected due their direct or serial dependency on claim 24.

7. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP

§ 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
